Jim Gerke – Grand Knight
August, 2016 Vol. 96

Thanks, everyone, for helping make my first month as Grand Knight enjoyable. We had to cancel last month's Council meeting as there was no room in the inn for a meeting place. I hope everyone is enjoying the lake, hot weather, family and friends. We have had company several weekends and this weekend we will host the Gerke family, all of 35 of them-what fun!

Last month I waited until 8:00 a.m. to call a Knight. When his wife answered, she said he had left at 5:30 to help mow the Cemetery while it was not so hot. Thank you Cemetery Crew for keeping the Cemetery looking so nice, you are appreciated!

Our Mission to Motherhood:

Let us consider the Crisis of Motherhood! The most critical and volatile word on this earth is mother. This has come about through the woundedness of our society—that society with its monumental psychological and spiritual problems which speaks of God with its lips but not with its heart.

We equate life with mothers. God graciously allows man and woman to share in His creation of life and has made Mothers to bring forth life to the world. Now, the devil in his devious way, is using mothers to destroy life. Women are choosing to kill their unborn babies. Will they want to eliminate all handicapped children as well? Are grandparents living too long? All over our country and the world, we are seeing this through the abortion movement and the right to die organizations.

This is the challenge as we prepare to enter the future. Can we combat the wiles of the devil? Are we able to stop the destruction of society? For mothers to sit back and not be concerned—for children to be unconcerned as well, bodes for a holocaust that will inevitably destroy all life—yes, the lives that only a mother can birth.

Thank God there are those children who will stand up and defend their mothers and mothers everywhere. We have a Mission to Motherhood at our Shrine dedicated to Mary, Mother of the Church, and to all mothers everywhere. As we give credence to the power of prayer, let us join hands and hearts around the world forming a Prayer Chain for peace in the family and in the world. Through this simple, effective method women can regain their self-respect in being God’s instrument for giving life. Mothers can recapture the dignity and love which the gift of life she brought into the world must demand. With Mary’s intercession and God’s help, the world can be brought back to sanity and stability as we join our hands and hearts in prayer for Motherhood.

God bless each and every one of you,

Jim Gerke
